✓ **Clothing choice:** Avoid solid white or busy patterns. Remember that these photos reflect a seasonal setting, call for clothing advice. Be sure your children's hair is combed. We are not responsible for a child's hair. We will provide combs but we do not do hair. We are also not responsible for the clothing a child is wearing. If you do not want your child photographed in the sweatshirt they left home in be sure to tell them to take it off before their photo. There will be no refunds or retakes because of clothing choices or hair styles.

✓ **Reordering Information:** Portraits taken will be posted on our website in our pass-code protected site. To get the event code needed to access your child's pictures use the following format: (the first two digits of the month + the first 5 letters of the school's name + the two digits of the year) an example would be: Samson's Private Elementary photos taken June 16, 2005. Their event code would be as follows
06samso05
